

SERVICE OF K\_LOVE: K-LOVE serves me and my community by providing inspirational music and family friendly valued programming.

EFFECT ON COMMUNITY:

Also, with the loss of K-LOVE due to an LPFM stations the community would lose a valuable clean radio station that is family friendly.

I am proud to be a supporter of this station as it is a family value based station.

PUBLIC INTEREST VALUE:

K-LOVE's programming in of great value to the christian community and even the general population that has questions about God or are looking for a reason they exist. This station addresses the needs of the people in the community that are in need of direction or help in their life.

Thank you for your time and I hope you reconsider the expansion of the LPFM service. May God bless you and I will pray for this issue and my radio station.
